In the Password/Pin field use your mouse to click on the characters of your password. **NOTE:** Each key has an uppercase letter in the upper right corner and a lower case character in the lower right corner. Use the appropriate letter and characters which match your password. You will be prompted to change your password after you sign in.

ENTER YOUR PASSWORD/PIN

Using your mouse, enter your Password/Pin by clicking the keys on the keyboard below. Click "Login" when finished. You must use the keyboard instead of typing in the Password/Pin in the space above the keyboard.

Password/Pin

1 !	2 @	3 #	4 \$	5 %	6 ^	7 &	8 *	9 (0)
Q q	W w	E e	R r	T t	Y y	U u	I i	O o	P p

What is the Random Code used for?
→ The Random Code is an extra security measure used to eliminate fraudsters from randomly selecting Member Numbers. It is randomly generated each time you try to log in.
