UNITE CREDIT UNION

MEMBERSHIP / TERMS & CONDITIONS / ACCOUNT AGREEMENT

This is the Agreement between you, the member, and Unite Credit Union ("Credit Union"), regarding your accounts with the Credit Union. By establishing an account with the Credit Union, you agree that this Agreement is a binding contract between you and the Credit Union.

You should retain a copy of the agreement and feel free to call the Credit Union if you have any questions. In addition to your agreement with the terms and conditions set forth in this document, by establishing an account with the Credit Union you acknowledge receipt of and agree to the various terms separately provided to you with regard to Truth in Savings, Availability of Funds, and Electronic Fund Transfers (EFT) and Wire Transfer Disclosures. The various terms and conditions set forth in those documents are incorporated into this Agreement by reference. You also agree to abide by the Bylaws of the Credit Union.

This Agreement and those documents discussed above include certain disclosures required under the Truth-In-Savings Act and National Credit Union Administration and Federal Reserve Board regulations and commentary, the Electronic Fund Transfer Act (Regulation E), the Iowa Electronic Funds Transfers Act, the Funds Availability Act (Regulation CC), Regulation D, and Uniform Commercial Code Article 4A.

Throughout this Agreement, the words "you" and "your" mean the member and any joint members or co-depositors or co-borrowers. The words "we", "our", "us", and "Credit Union" mean Unite Credit Union.

MEMBERSHIP

Membership Eligibility. The Credit Union serves in its field of membership those applicants within the Unite Credit Union's common bond as defined in the Credit Union's Charter. Unite Credit Union membership is open to Faculty, Staff, Students, Alumni & Retirees of the University of Northern Iowa; Faculty, Staff, Students, Alumni and Retirees of Cedar Falls Schools; Employees and Retirees of MidAmerican Energy. If a family member is already a member of Unite Credit Union, you are automatically eligible to join. Unite Credit Union is a State Chartered Credit Union.

Please review our Membership eligibility on the Unite Credit Union website at www.unite-cu.org for membership eligibility or speak with one of our service representatives to determine if you are eligible to join. Eligibility also includes Credit Union employees. If you retire, change jobs (outside the field of membership) or move to a new location, you may remain a member of the Credit Union. Only members in good standing may receive the benefits and services of the Credit Union.

Unite Credit Union wants you to know that "once a member, always a member". Unite Credit Union is organized under regulatory laws that are monitored and enforced by the National Credit Union Administration, an agency of the U.S. Government.

Family Membership. Our membership also includes, if sponsored by a Member in Good Standing, immediate family members, regardless of where they live or work. The National Credit Union Administration (NCUA) defines "immediate family" as spouses, children, siblings, parents, grandparents, grandchildren, stepparents, stepchildren, stepsiblings, and adopted children.

Becoming a Member. To become a member of the Credit Union, you must complete a Member Application and Signature Card, open a Regular Share Account and deposit and maintain a new membership fee of the minimum required share(s) ("membership share") as set forth in the Credit Union's bylaws. The basic share deposit that you must always keep in your Regular Share Account is \$5.00.

Credit Information. You authorize the Credit Union to check your account, investigate your credit standing and employment history when opening or reviewing any Loan Account. We may report information about your loan account(s) to credit bureaus. Late payments, missed payments, or other defaults on your loan account(s) may be reflected in your credit report. You also authorize the Credit Union to disclose information regarding your Account to credit bureaus and creditors who inquire about your credit standing.

Deposits Generally. After you have established your Regular Share Account, you may make additional deposits into that account, or establish other types of accounts as described herein, at any time and in any amount. Your accounts are not transferable except on the Credit Union's books and records. We may establish minimum amounts for deposits in your Regular Shares Account or any other accounts you have with the credit union.

You can make deposits in person or by mail. At the present time, you can arrange to have one or more of the following deposits made directly to your accounts: (1) payroll deduction deposits, (2) net pay deposits, (3) Social Security deposits, (4) pension plan deposits, (5) stock dividends or (6) other miscellaneous deposits. If you have an automatic teller machine (ATM) card or a debit card, you can also make a deposit through one of the automated teller machines equipped to accept deposits.

If we deposit any funds into your account(s) by direct deposit, which should have been returned to the State or Federal Government for any reason, you authorize us to charge your account for the amount of those funds and return the funds to the issuing governmental entity. We may charge your account without providing prior notice, unless otherwise required by law, and return the funds to the issuing party. We may also charge your account for this type of transaction if so disclosed on our fee schedule.

If you have been given access to our Unite Credit Union Online Banking & Bill Pay Service, you can also transfer funds from one account to another within this credit union.

If you have arranged to have direct electronic fund transfer deposits made to your account, you can call us toll free at (844) 443-4474 to find out whether or not the deposit has been made. In addition, you will receive an account statement showing all such direct deposits at least monthly. Your account statements will be admissible as evidence of the electronic fund transfer deposit or other transaction they represent in any action in a court of law.

All deposits are subject to proof and verification. If you deposit a check, draft or other non-cash item, we have the right to clear it before we make the money available to you subject to applicable federal regulations. If there are special fees for collecting your deposit, you promise to pay them (see the Member Fee Schedule for a list of fees). We may deduct such fees directly from your account. If we feel there is a reason to do so, we may refuse, limit or return any deposit. We have the right to refuse to accept any deposit and we specifically reserve the right to refuse to accept checks for deposit that have more than one endorsement. We reserve the right not to pay interest on amounts subject to garnishment, levy or other legal process; and we reserve the right not to pay interest on any deposit that is returned to us unpaid by the financial institution on which it is drawn (even if that means a reversal of credited interest).

All negotiable instruments presented for deposit must be in a format that can be processed and/or photographed. The Credit Union may refuse to accept any check or draft that does not meet this requirement. All endorsements placed on the reverse side of any check or draft which you deposit to your account must be placed so that they are on the left side of the item when looking at it from the front and must be placed so they do not go beyond an area located 1 and ¼ inches from the left edge of the item when looking at it from the front. The Credit Union may refuse to accept any item that does not meet this requirement, and, if the credit union does accept it, you agree that you are completely responsible for any loss we incur which is premised on an endorsement not meeting this requirement, including any court costs and reasonable attorney fees.

Fees. Any Account may be subject to service charges in accordance with the fee schedule adopted by the Credit Union from time to time. You should refer to the Member Fee Schedule for a list of fees. These fees may be changed at our discretion. We will provide you notice of such changes in accordance with law.

Transaction Restrictions. We may refuse to allow a withdrawal in some situations and will advise you accordingly if: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. Please also see our Funds Availability Policy Disclosure.

Transaction Limitations. For some accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or Internet transfer, by telephonic order or instruction, or by check, draft, debit card, mobile transfer or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

Other types of transfers and withdrawals, such as those made in person, by mail, or at an ATM can be made without limitation. Please refer to the Truth-in-Savings Disclosure for more information regarding transaction limitations. The Credit Union reserves the right to require not less than 7 days advance notice nor more than 60 days advance notice from you of any withdrawals.

Unlawful Internet Gambling Notice - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

Power of Attorney. If you appoint an agent as your Attorney-in-Fact with a Power of Attorney document and we accept the documentation presented for such an appointment, we may accept such an authorization for transactions without further communication to you. Unless your Power of Attorney document specifically prevents you from entering into transactions, we may accept either your personal transactions and/or those authorized by your appointed "Agent".

Special Terms Regarding Share Draft Accounts

Deposits Generally. Once you have established your Share Draft Account (at some Credit Unions, these are called checking accounts), you may make additional deposits into those accounts at any time and in any amount subject to the terms of this Agreement. The above terms regarding "deposits generally" also apply to Share Draft Accounts, except as they may be modified by this section. All drafts drawn on your Share Draft Account may be returned by us unpaid for any reason that drafts are normally returned, such as, for example, insufficient funds, uncollected funds, or litigation.

Share Draft Account Minimum Balance. There is no minimum amount required to open or maintain a Share Draft Account.

Share Draft (Checking) Account. Share drafts must generally be ordered through the Credit Union. If share drafts are not ordered through the Credit Union, the Credit Union will assess a fee whenever problems in clearing such drafts in an automated fashion arise. When you order share drafts through the Credit Union, the Credit Union will charge your account for the costs of said share drafts, which costs vary depending on the style of drafts ordered. You may select drafts from the current styles available.

CHECKS PRESENTED FOR PAYMENT IN PERSON. We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft and we shall have no liability for refusing payment. If we agree to pay a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check cashing fees are stated in the Member Fee Schedule.

REMOTELY CREATED CHECKS. For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks (share drafts) may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

Transaction Limitations. Except as otherwise stated in this Agreement, or in any applicable federal or state law or regulation, there are no transaction limitations on this account.

Payment of Share Drafts. The Credit Union is under no obligation to pay a share draft which is more than 6 months old. Except for negligence, the Credit Union is not liable for any action it takes regarding the payment or non-payment of a draft.

Dividends. Refer to our Truth in Savings Disclosure.

Funds Availability. Funds from deposits you make into your Share Draft Account may not always be immediately available. Refer to our Funds Availability disclosure for more details.

The use of the Share Draft Account is subject to other terms, conditions and requirements as the Credit Union may establish from time to time.

Fees. As with all other accounts, your Share Draft account may be subject to service charges in accordance with the fee schedule adopted by the Credit Union from time to time. You should refer to the Member Fee Schedule for a list of fees. These fees may be changed at our discretion.

Overdraft(s). The Credit Union is under no obligation to pay a share draft you have written, or notify you if it would result in the Share Draft Account being overdrawn (a draft written against your Share Draft Account when insufficient available funds are on deposit in the account is known as an NSF Share Draft), however, you agree to reimburse the Credit Union for funds advanced if the Credit Union does pay a share draft or other authorized transaction from your account(s), including any fee applicable for such an overdrawn account. You agree for yourself and the person or entity you represent if you sign as a representative of another, to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from your share draft account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

If this is a joint account (that is, if two or more people are parties to this account), all of the joint owners are jointly and severally liable to repay the Credit Union the amount of any overdraft and service charges, regardless which of the parties writes the draft that creates an overdraft and regardless of which party benefits from the overdraft. Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.

Standard Overdraft Protection. If we offer standard Overdraft Protection, you must separately apply and be approved for Overdraft Protection. Overdraft protection is a revolving line of credit that can be attached to your checking account. To the extent authorized by law, you hereby authorize us to transfer funds from other accounts you maintain at this credit union, to any account upon which you issue a share draft when there are not sufficient funds in the account upon which that draft is issued. If you have a line of credit with this credit union, transfers will be made either from your credit line up to the available credit limit or from your Regular Share Account, if there are sufficient funds in the Regular Share Account. You may elect your preference as to which account funds may be transferred from for this purpose. Any overdraft transfers resulting from this procedure may result in a fee being assessed to your Regular share account. You agree to hold the credit union harmless for any and all liability that may otherwise exist if a transfer does not occur.

Courtesy Pay Overdraft Disclosures. If we offer Courtesy Pay Overdraft Protection, you must separately apply and be approved for Courtesy Pay. These Courtesy Pay Overdraft Disclosures describe the circumstances when we (the credit union) will pay overdrafts in your checking account and charge you a Courtesy Pay fee. "Overdraft" means there is not enough "available balance" in your checking account or any other account funds can be transferred from to pay for a transaction at the time it is presented to us for payment ("posts" to your account). If we pay for an overdraft, we will charge a Courtesy Pay fee. The fee is described in our Fee Schedule, which is updated periodically.

Please note that for ATM and one-time debit card transactions, you must affirmatively consent to this coverage on a separate disclosure. Without your consent, we may not authorize and pay an ATM or one-time debit card transaction that will result in negative available balance in your account.

The following is important information regarding your account balance, how transactions are posted to your account, and when an overdraft fee will be charged. You should read these disclosures carefully. If you have questions, please see a branch representative or give us a call.

Your Checking Account Balance. Your checking account has two kinds of balances: the "actual" balance and the "available" balance. Both can be checked when you review your account online, by phone, or at a branch. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your **actual** balance is the full amount of all deposits made into your account less payment transactions that have actually "posted" to your account. While the term "actual" may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. It does not reflect checks you have written or payments you have authorized, or holds on deposits that have not yet posted.

For example, if you have a \$50.00 actual balance, but you just wrote a check for \$40.00, then your actual balance is \$50.00 but it does not reflect the pending check transaction. So at that point, you actually have \$50, but you have already spent \$40. Also, the actual balance does not include holds that may be placed on checks you deposit. Thus, if you deposit a \$1,000 check, your actual balance will increase by \$1,000 but only \$200 may be available for you to spend because there may be a hold on \$800 for a period of time.

Your **available balance** is the amount of money in your account that is available to you to use without incurring an overdraft fee. The available balance takes into account things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the Credit Union has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50. If you were to use your debit card at a restaurant to buy lunch for \$20, then that merchant could ask us to pre-authorize the payment. In that case, we will put a "hold" on your account for \$20. Your actual balance would still be \$50.00 because this transaction has not yet posted, but your available balance would be \$30 because you have committed to pay the restaurant \$20. When the restaurant submits its bill for payment (which could be a few days later), we will post the transaction to your account and your actual balance will be reduced by \$20. Available balance at the time a transaction posts to your account is used to determine when your account is overdrawn.

It is very important to understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction that you want to make. This is because your available balance may not reflect all the outstanding checks and automatic bill payments that you have authorized, or other outstanding transactions that have not been paid from your account. In addition, your available balance may not reflect all of your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions), we must release the authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account.

The best way to know how much money you have and avoid paying overdraft fees is to record and track all of your transactions closely.

IF YOU DO NOT UNDERSTAND THIS AGREEMENT OR HAVE ANY QUESTIONS, PLEASE CONTACT US.

Suspension of Services. The Credit Union reserves the right to suspend the benefit of any Credit Union service at any time for reasonable cause. We also have the right to pay any check presented for payment from your account after your account is closed or suspended and we may proceed to collect any such amount paid from you.

Truncated Drafts; Statements. Your canceled share drafts will not be returned to you; they will become Credit Union property and be held by us ("truncated") for you. Your monthly statement will itemize your canceled drafts by number, date of clearing and the amount of the draft. Any objection respecting any item shown on a periodic statement is waived unless made in writing to the Credit Union before the end of sixty (60) days after the statement is mailed. A copy of any share draft will be available to you as required by law. There may be a small fee to obtain a copy of a draft (see the Member Fee Schedule for a list of fees).

Stop Payments

Stop Payment Order Request. An account owner may request a stop payment order on any share draft drawn on the account owner's account. Any owner is authorized to place a stop payment or cancel a stop order. Any owner's actions with regard to placing or canceling a stop payment order is binding on any and all other account owners. To be binding, an order must be dated, signed, and describe the account and draft number and the exact amount. The stop payment will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, number of the draft, and its exact amount. You understand that the exact information is necessary for the Credit Union's computer to identify the share draft. If you give us incorrect or incomplete information, we will not be responsible for failing to stop payment on the draft. If the stop payment order is not received in time for us to act upon the order, we will not be liable to you or to any other party for payment of the draft. If we re-credit your account after paying a draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer to us all of your rights against the payee or other holders of the draft, and to assist us in any legal action.

Verbal Stop Payment Request. If a verbal stop-payment order is accepted at the Credit Union and I fail to complete and submit this written request for the stop payment order within 14 days, the Credit Union's block on the payment shall be lifted and the Credit Union will issue payment to any payee(s). An oral stop payment order ceases to be binding after 14 days if I fail to provide this written confirmation of the stop payment order.

Duration of Order. If this stop payment order is for a check/draft, it will expire after 6 months unless renewed in writing. Preauthorized EFTs will never expire, unless I request a withdrawal of the request.

Postdated & Stale Share Drafts. You understand that postdating a share draft will have no effect on whether or not it is honored prior to or after the date of any such share draft. A stale share draft is any share draft received by Us that is dated 6 months or more prior to the date of receipt. We may pay or refuse to pay any postdated, stale or overdraft share draft, or other item presented for payment on Your Account without any liability.

Liability. Fees for stop payment orders are set forth on the Truth in Savings Rate and Fee Schedule. You generally may NOT stop payment on any certified check, teller's check or any other check, draft, or payment guaranteed by us. Even if payment of such an item is stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any multiple party, account owner, payee, or endorser in failing to stop payment of an item as a result of incorrect information you provided the Credit Union.

Other Terms and Conditions

Individual Account(s) are owned by one person.

Payment of Share Drafts after Death. The Credit Union may, after the date of your death, pay share drafts drawn before death unless ordered to stop payment by the Personal Representative or other appropriate person claiming an interest in the account.

Joint Account(s) with Survivorship. If two or more parties have signed a signature card as Joint Account owners with rights of survivorship, you are creating, and intend to create, a "joint tenancy with rights of survivorship" and either one of you may withdraw from the account without the signature of any other joint owner, unless otherwise restricted upon opening of the account. That is, you as the owners of the account agree with yourselves and the Credit Union that all sums paid in shares or other deposits (as applicable), together with all accumulations, prior to now or hereafter, less setoffs as allowed by law for any sums due the Credit Union by any party, shall be owned by all of you jointly with full right of survivorship, and shall be subject to withdrawal or receipt by any of you in whole or in part.

Unless otherwise stated on the account card, a joint account includes rights of survivorship. This means that when one owner dies, all sums and interest in the joint account will pass to the surviving joint owner. For a joint account without the rights of survivorship, the deceased owner's interest passes to his or her estate. A surviving owner's interest is subject to the Credit Union's statutory lien for the deceased owner's debts and obligations to the Credit Union and, to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

Payment to any of you or the survivor(s) of you, or your personal representatives, administrators or assigns of the last survivor(s) of you, shall be valid and discharge the Credit Union from any liability for such payment and amount. Each signer appoints each other signer to be his or her irrevocable attorney: to make deposits to the account; to endorse, for cash or deposit, any checks or other items whether payable to one of the signers alone or with others; and to receive and receipt for all funds all without obligation to us to inquire into the source or application of funds. To induce us to act thereunder, each person signing the signature card jointly and singly agrees to hold the Credit Union harmless and indemnify us from loss, cost, and damage in all respects in connection with any of the foregoing, including court costs and attorney's fees, except as may be limited by applicable law. Any or all of the joint owners may pledge all or part of the shares or deposits in the account as collateral for security on a loan(s) to this Credit Union. No authority or obligation of the Credit Union may be changed or terminated by one or more of the joint owners without prior written notice to the Credit Union, and no such change or termination shall affect transactions already made. Further, each joint owner is subject to the terms and disclosures of this Agreement, and hereby acknowledges receipt thereof. With the exception of Certificate Accounts or as otherwise prohibited by law, any joint owner on an account is also a joint owner on all sub-accounts listed under that account number.

Trust Accounts. If you have opened an account for a Trust, you as Trustee(s) understand and agree that the Credit Union may distribute funds pursuant to the terms of the most recently dated Trust Agreement on file at the Credit Union, and you, on behalf of the Trust, all beneficiaries of the Trust, and all Successor Trustees forever indemnify and hold the Credit Union harmless for distributions made pursuant to that Trust made in good faith in the absence of gross negligence on the part of the Credit Union. You further agree that it is your responsibility to notify the Credit Union when a Trust for which an account has been opened has been revoked, rescinded, revised, or in any way modified.

Revocable Trust or Pay-on-Death Account. If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating either of these account types may: (1) change beneficiaries, (2) change the account types, and (3) withdraw all or part of the account funds at any time.

POD/Trust Account Designation. A Payable on Death (POD) account or trust account designation is an instruction to the Credit Union that a single or multiple party account so designated is payable to the owner(s) during his, her or their lifetimes and, when the last account owner dies, payable to any named and surviving POD or trust beneficiary/payee. The owners of these account types may change the beneficiaries, change the account types, and/or withdraw any or all of the account funds at any time. Accounts payable to more than one surviving beneficiary/payee are owned in equal shares by those beneficiaries, without right of survivorship. The Credit Union is not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. Any POD or trust beneficiaries/payee designated shall not apply to Individual Retirement Accounts (IRAs).

Custodial Accounts for Minors. Any custodial accounts for minors are subject to the terms and conditions set forth in the Uniform Transfer to Minors Act. It is your responsibility to know and abide by any legal effects related to this type of account.

Other Accounts for Minors. We may require any account established by a minor to be a multiple party account with an owner who has reached the age of majority under Iowa law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to a minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority, unless authorized in writing by all account owners.

Missing Endorsements. The Credit Union is authorized to supply any of your endorsements on any check or other instrument tendered for any account, and the Credit Union shall have no liability in connection with the collection of such items that are handled by it without negligence, and the Credit Union shall not be held liable for the acts of any agents, subagents or others. We may accept transfers, checks, drafts and other items for deposit into your account(s) if they are made payable to the order of one or more account owners, even if they are not endorsed by all payees. Withdrawals may not be made on account of such items until collected, or as otherwise provided by law. Any amount not collected, or later returned, may be charged back to the account, including expense incurred, and any other outside expenses incurred relative to the account may be charged to it.

Convenience Signer/Agency Designation on an Account. A convenience signer or agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or Credit Union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

Share Insurance. Your savings in the Credit Union are insured up to \$250,000 by the National Credit Union Administration (NCUA), an agency of the Federal Government, in accordance with regulations promulgated by the NCUA. Retirement accounts, including IRA share accounts and traditional IRA certificates, are covered separately to \$250,000 by NCUA. Generally, if a Credit Union member has more than one individual account in the same insured Credit Union, those accounts are added together and are insured up to \$250,000. Shares maintained in different legal ownership capacities may each be separately insured. There are numerous combinations of accounts that can increase your total coverage. Contact a Member Service Representative to discuss ways to increase your total coverage.

Charges. You agree to pay us charges in connection with your accounts in accordance with the Member Fee Schedule for accounts in effect from time to time. We will provide advance notice of any increase in current charges, or any new charges, as required by law. We may deduct any charges owed by you from any of your accounts, whether you are an owner or joint owner. We reserve the right to waive any charges in our sole discretion.

Return of Deposits/Closed Accounts. We may, at any time, in our sole discretion, refuse to accept any deposit, or close any or all of your accounts with us without prior notice to you. Provided, however, we may not terminate your membership in the Credit Union without satisfying the notice provisions of the Credit Union Act and related Bylaw Provisions and regulations. If we close an account, we will notify you and send you a check for any balance in your account after deducting all applicable charges. Any withdrawal that reduces the amount in an account to zero (other than a Share Draft Account) may automatically close that account. We are not liable for any draft, withdrawal or other order after an account is closed. Any drafts presented after your account has been closed will be returned unpaid. We reserve the right to advise consumer reporting agencies and other third parties of accounts closed for misuse.

Inactive Accounts. The Credit Union will consider your account abandoned if it is inactive as defined by Iowa Statute with no deposits or withdrawals on your account. This excludes dividends credited to your account by the Credit Union. Iowa Law requires the Credit Union to turn these funds over to the State after a period of no activity as specified by statute. Before turning funds from inactive accounts over to the State of Iowa, the Credit Union will send notices as required by Iowa law advising you of your rights. The Credit Union reserves the right to assess a monthly or annual fee on those accounts that have become inactive or deemed abandoned.

Statement(s). If we send you a periodic statement for your Share Draft Account and the statement(s) will include all activity on your account as required by law. You will receive a periodic statement for your Share Savings Account or other savings accounts, unless you have an electronic funds transfer transaction during a monthly period (in which case you will receive a monthly statement), or you will receive a combined statement on a monthly basis if you have a Share Draft Account and other savings accounts. Each such statement shall show the transactions on your accounts and any charges. We reserve the right not to send statements for accounts we consider inactive, or for those accounts on which we do not have a valid address on file. You should examine the periodic statement carefully and reconcile the account. If there are any discrepancies, the Credit Union should be notified immediately. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30-days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations, forgeries, or any other errors in your account within 30 calendar days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 30-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

If you do not receive a periodic statement when you would normally receive one, you agree to notify us within fourteen (14) calendar days of the time you normally would have received a statement. The Credit Union will not be liable if items were forged or altered such that a reasonable financial institution could not detect the fraud.

Agreement. This Agreement shall be effective and shall govern all deposit accounts with us. By signing a signature card, making deposits or withdrawals, or leaving amounts on deposit, you agree to the terms of this Agreement. This Agreement shall supersede all previous agreements for such accounts.

Amendment. We may change any of the items of this Agreement at any time without prior notice to you if the change is favorable to you. We may make changes that are adverse to you only if we provide you with any notice required by law or required in this Agreement. You may close the account if you do not agree to the changes; if you continue to use the account or keep the account open after the effective date of such change, you will be deemed to have agreed to the changes.

Notice of Name or Address Changes. You are responsible for notifying us of any address or name change. Whenever we are required to send you notice, the Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us in writing. The Credit Union requires all notices of change in address or name to be in writing.

Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any changes in terms or rates as required by law or as required in this Agreement. All notices regarding the account will be posted in our office lobbies or will be sent to you to the address shown on your statement. In the event of joint ownership, notice by or to any one joint depositor shall be deemed notice by or to all. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement. We reserve the right not to send notice for accounts we consider inactive. Notices to us should be sent to: **Unite Credit Union, 802 West 29th Street, Cedar Falls, Iowa 50613; Phone: (319) 273-2479 Fax: (319) 266-3761.**

Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. Mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

Indemnity. If by following your instructions we are exposed to a claim or suit by an adverse claimant, you shall hold us harmless and indemnify us from any such losses, expenses, liabilities or damages including actual attorneys' fees. If you ask us to follow instructions that we believe might expose us to claims, suits, losses, expenses, liabilities or damages, whether directly or indirectly, we may refuse to follow your instructions, or we may require a bond or other protections.

Severability. If any of this Agreement is found by any other court or regulatory body of competent jurisdiction to be invalid or unenforceable in whole or in part for any reason whatsoever, the authority of the remaining provisions or portions hereof shall not be affected thereby.

Waiver. We may waive any of these provisions at our sole discretion, but any such waiver will apply only on that occasion. If we chose to waive any provision, we will not be bound to waive the same provision or any other provision on another occasion.

Telephone Requests. You agree (for joint accounts, all joint owners agree jointly and severally) that funds in any of your accounts with us can be transferred upon the telephone request of any signer on the account. We shall not be responsible for any loss incurred as a result of our acting upon or executing any request, order or instruction we believe to be genuine. Furthermore, we may refuse to execute any telephone request or order.

Facsimile Signatures. You agree (for joint accounts, all joint owners agree jointly and severally) that the Credit Union may accept and rely on facsimiles of your signature(s) on any deposit or withdrawal form, order or other notices, requests or instructions regarding any account under this Agreement or with the Credit Union. We shall not be responsible for any loss incurred as a result of our acting upon or executing any request, order or instruction we believe to be genuine. Furthermore, we may refuse to execute any facsimile request or order.

Information About Your Accounts and About You. Generally, we will not disclose information to third parties about your accounts or about you without your permission. However, we may disclose information: (1) when it is necessary to complete transfers or transactions, or to send notice of dishonor or nonpayment; (2) to our accountants, attorneys or other professional advisors; (3) to Credit Union or financial institution regulators; (4) to exchange, in the regular course of business, credit information with other financial institutions or commercial enterprises, directly or through credit reporting agencies; (5) to advise third parties of accounts closed for misuse; (6) to furnish information to the appropriate law enforcement authorities when we believe we have been a victim of a crime; (7) to comply with government agency or court orders, or to furnish any information required by statute; (8) to furnish information about the existence of an account to a judgment creditor of yours who has made a written request for such information; (9) when we are attempting to collect an obligation owed to us; or (10) unless otherwise prohibited by law. In addition, you understand and agree that we may, from time to time, request and review credit reports and other information about you prepared by credit reporting agencies or others. For additional information about how we share your information with third parties, please refer to the Credit Union's Privacy Notice.

Section Headings. Section headings in this Agreement are for convenience of reference only and shall not govern the interpretation of any of the provisions of this Agreement.

Legal Process. If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any pay out until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process, including but not limited to responding to garnishments, attachments or levies on your account(s), may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our priority lien and security interest.

Governing Law. This Agreement shall be governed by the laws, including applicable principles of contract law, and regulations of the State of Iowa, except as superseded by federal laws and regulations, by the Credit Union's Bylaws, and by local clearinghouse rules. Unless prohibited by applicable law, any action brought pursuant to this Agreement against the Credit Union must be brought in the local State District Court or State Circuit Court in the jurisdiction of the Credit Union's main office or Branch Offices.

Right to Bring Civil Action. Iowa Statutes provide you with certain rights as a consumer and you have a right to bring a civil action against any person violating the consumer rights set forth by statute governing consumer privacy and unauthorized withdrawals. You may also be entitled under the law to punitive damages, court costs and reasonable attorney fees.

Right to Repay Loans without Penalty. Unless any loan agreement otherwise specifies, you have a right to repay any loan at any time in advance or in-full without penalty.

Taxpayer Identification Numbers and Backup Withholding. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

Special Account Instructions. You may request that we facilitate certain business, trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your business, trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change form and accepted by us.

Termination of Account. We may terminate your account at any time without notice to you, or we may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any share drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate a single party account by giving written notice. We reserve the right to require the consent of all owners to terminate a multiple party account. We are not responsible for payment of any draft, withdrawal, or other item after your account is terminated, however, if we pay an item after termination, you agree to reimburse us.

Termination of Membership. You may terminate your membership by giving us notice. You may be denied services or expelled for any reason allowed by applicable law, including causing a loss to the Credit Union. Termination of your membership does not relieve you from any legal obligation created while you were a member of this Credit Union.

Account Agreement. Your application for Membership in the Credit Union as well as your use of any Credit Union Membership privileges constitutes and acknowledgement and consent to the terms and conditions of your accounts as set forth in this Account Agreement and all other accompanying Disclosures provided to you.

Share Drafts & Other Access Devices. We may reject any share draft or other Account access device which does not meet Our standards for acceptance by Us, whether such standards are established by law, regulation or Our own policy.

Payment Order Of Items. The law permits us to pay items (such as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing you with the following Information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them in the order that they are received. The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. There is no policy that is favorable to every instance. If the smallest items are paid first, you may have fewer NSF or overdraft fees, but the largest, and perhaps more important items (such as rent or mortgage payments) might not be paid. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere. By paying items in the order that we receive them, we think our policy attains a reasonable balance between minimizing additional cost to you and paying your more important items. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

Military Lending Act Compliance. Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).

Non-Military Lending Act Lien & Right of Offset/Enforcement. Unless you are subject to the protections of the Military Lending Act, if you owe us money as a borrower, guarantor, endorser or otherwise, you acknowledge that we have a statutory lien and consensual lien on the account funds in any account in which you have an ownership interest, regardless of their source, unless prohibited by law. We may apply these funds in any order to pay off your indebtedness. By not enforcing a lien, we do not waive our right to enforce it later. In addition, you grant the Credit Union a consensual security interest in your accounts and we may use the funds from your accounts to pay any debt or amount now or hereafter owed the Credit Union, or for any loss, cost or expenses, including reasonable attorney's fees, we incur as a result of your failure to comply with the terms and conditions of this Agreement or that we may take to enforce this Agreement or any other Agreement you may enter into with us. This security interest is not applicable to obligations secured by your residence, or unless otherwise may prohibited by applicable law. We will notify you if we have exercised our right of offset. All accounts are nonassignable and nontransferable to third parties.

If you are or become subject to the provisions of the Military Lending Act, we do not have a statutory or consensual lien on your funds, even if you owe the Credit Union money and even if the loan is in default.

Pledges. Unless Military Lending Act protections apply to a member, while the Credit Union has a priority lien in any deposits, each owner of an account may pledge all or any part of the funds in it for any purpose to which we agree. Unless Military Lending Act protections apply to a member, the Credit Union's lien on any deposit and any pledge of an account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

Notice of Receipt of ACH Items. Under the operating rules of the National Automated Clearing House Association which are applicable to ACH transactions involving your account and as permitted by law, We are not required to give You next day notice of receipt of an ACH item, and We will not do so. We will continue to notify You of the receipt of payments in the periodic statements We provide to You.

Provisional Payment (ACH Origination). Credits given by any Receiving Depository Financial Institution to the receiver with respect to any automated clearing house credit entries subject to Article 4A of the Uniform Commercial Code (UCC-4A), are provisional until the Receiving Depository Financial Institution has received final settlement through a Federal Reserve Bank, or has otherwise received payment as provided in §4A-403(a) of UCC-4A. If the Receiving Depository Financial Institution does not receive such final settlement or payment, then they shall be entitled to a refund from the receiver of the amount so credited, and We shall not be deemed to have paid the receiver the amount of such entry.

Provisional Payment (ACH Receipt). Credit given by us to you with respect to any automated clearinghouse credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e., the originator of the entry) shall not be deemed to have paid you the amount of such entry.

USA PATRIOT ACT

In accordance with the USA PATRIOT ACT, Federal law requires all financial institutions to obtain, verify, and record information that identifies each individual or entity opening an account. This includes all personal and commercial accounts including loan and deposit accounts, as well as trust, brokerage, insurance, and investment management accounts.

Transfers to Credit Accounts

- Funds transferred as a payment to a credit card, line of credit, installment loan or mortgage account before 11:59 P.M. ET will be credited with the date the payment is submitted. Updates to account balances, funds availability, and transaction posting may take up to 2 bank business days.

Transfers to Deposit Accounts

- Please note, transfers to any deposit account on a Saturday, Sunday or bank holiday, will appear with our next business day's date in the deposit account transaction history.

11. **Excluded Transactions.** We have developed an elaborate electronic data processing system which makes it possible to offer you many electronic services. However, some of these services do not constitute "electronic fund transfers" for purposes of this disclosure. For example, automatic transfers from your account(s) to pay your loan(s) owed to us and automatic transfers between your own accounts at the Credit Union. The terms and conditions of this disclosure only apply to those services and transfers which are "electronic fund transfers" as described in this disclosure; they do not apply to other transactions which, although electronic in nature, do not constitute "electronic fund transfers" described in that section.

12. **Fees and Charges.** Certain fees and charges apply to electronic transfers. A fee schedule was provided to you at the time you applied for this card. We may amend the fee schedule from time to time and the fees charged to your account will be those fees applicable at the time of any particular transaction. We will notify you of any changes in the fee schedule, as provided by law. You may also ask us for a current fee schedule. We reserve the right to impose fees, and to thereafter increase them, if we deem it necessary. We will give you at least 21 days advance written notice before imposing or increasing any such fees. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

13. **Limitations on "Electronic Fund Transfers".** We described the types of electronic funds transfers you can make through our various Electronic Funds Transfer Services. During any periodic monthly cycle for all non-transaction accounts (i.e. savings accounts) you may not make more than six (6) withdrawals or transfers to another Credit Union account of yours or to a third party by means of a preauthorized or automatic transfers; transfers authorized by phone, fax, or online; and transfers by check, debit card, or similar order payable to third parties. Other types of transfers and withdrawals, such as those made in person, by mail, or at an ATM can be made without limitation. If you exceed the transfer limitations herein, your account may be assessed additional fees and/or will be subject to closure.

A preauthorized transfer includes any arrangement with us to pay a third party from your account upon oral or written orders including orders received through the automated clearing house (ACH). Aside from that limitation, and as to transactions other than those made at an ATM, there are no limitations as to how often you can make "electronic fund transfers" described in this disclosure. Nor are there any restrictions as to the dollar amount of any one "electronic fund transfer". We reserve the right to impose any such restrictions in the future as we deem reasonable, but we will give you at least 21 days advance written notice before doing so. You may make unlimited transfers to any of your accounts or to any Credit Union loan account and may make withdrawals in person, by mail, or at an ATM. However, we may refuse or reverse a transfer that exceeds these limitations and may assess fees against, lock or close your account.

14. Documentation of Electronic Fund Transfers:

- a. **Terminal transfers.** You can obtain a receipt at the time you make any transfer to or from your account using one of our automated teller machines or point-of-sale terminals.
- b. **Small Dollar Terminal Transactions and Point-of-Sale Transactions.** You can receive a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not always receive a receipt if the amount of the transaction is \$50.00 or less. Your use of this ATM/Debit card is your acknowledgement of the terms set forth in this disclosure, including this small transaction documentation section.
- c. **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (319) 273-2479 to find out whether or not the deposit has been made.
- d. **Periodic statements.** You will receive a monthly account statement for each month during which an EFT has occurred, unless there are no transfers in a particular month. In any case, you will get the statement at least quarterly.
- e. **Passbook account where the only possible electronic fund transfers are preauthorized credits.** If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.
- f. Your right to documentation as set forth in subsections (a) and (d) of this section does not apply when the electronic funds transfer occurs outside of the United States.

15. Preauthorized EFTs

- a. **Direct Deposit.** Upon instruction of (1) your employer, (2) the Treasury Department or (3) other financial institution, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your savings and/or checking account.
- b. **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your savings and checking account.

16. Preauthorized Payments & Stop Payments. Your rights to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

- a. Call us at (319) 273-2479, or write us at Unite Credit Union, 802 W. 29th St. Cedar Falls, IA 50613, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We will charge you a fee as set forth in the Fee Schedule for each stop-payment order you give.
- b. **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)
- c. **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

17. Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- a. Where it is necessary for completing transfers; or
- b. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- c. In order to comply with government agency or court orders; or
- d. If you give us your written permission.

18. Errors or Questions. In Case of Errors or Questions About Your Electronic Transfers Telephone us at: Phone: (319) 273-2479 or write us at: Unite Credit Union, 802 W. 29th St. Cedar Falls, IA 50613 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- a. Tell us your name and account number (if any).
- b. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- c. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of (10) ten business days to conduct our investigation. If the notice of error involves a point of sale transaction or involves a transaction initiated outside the United States, its possessions and territories, we will have ninety (90) days to investigate instead of forty-five (45) days to investigate.

19. Our Liability for Failure to Make "Electronic Fund Transfers". If we do not complete an "electronic fund transfer" to or from your accounts on time or in the correct amount according to our agreements with you, we will be liable for your losses or damages.

However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer or, pursuant to our Funds Availability Disclosure, there are "uncollected" funds that are not available.
- If there is not enough money in your account, in excess of amounts you have pledged to us as collateral for a loan to make the transfer.
- If the ATM, telephone, Internet or any other electronic access device was not working properly and you knew about the problem when you started the transaction.
- If the error was caused by a system of any participating ATM network.
- If funds in your account are subject to garnishment or other legal process.
- If we have, because of your default on a loan, exercised our rights against the funds in a pledged account.
- If the transfer would take the balance on your overdraft loan (if applicable) over the credit limit.
- If the automated teller machine where you made the transfer did not have sufficient cash.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the electronic transfer is not completed as a result of your willful or negligent use incorrect financial account information, including but not limited to, the transferor's or transferee's account numbers, routing number(s), and/or the account owner's registered name;
- If the electronic transfer is not completed as a result of your willful or negligent use of the correct owner's name;
- If the electronic transfer is not completed as a result of your willful or negligent use the account to transfer funds into, being a joint account (whose joint ownership allows access to the account) or an account accessed by someone other than the owner, or someone authorized to withdraw from the transferee or transferors account or funds wrongfully stolen from said account;
- If the device upon which you made the transfer was not properly functioning;
- If circumstances beyond our control prevent the transfer (such as fire, flood, or power failure), despite reasonable precautions we have taken.

We will also be excused from such liability if you fail to observe the terms of this agreement, or our account agreements with you, which relate to such "electronic fund transfers". If you have bill payment services, you must contact the intended recipient of the transaction for inquiries other than confirmation of the amount transferred from your account to the merchant, the date of the transfer and the recipient's identity/name.

20. **Business Days.** Our "business days" are as follows:
We are not open for business on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day, or other holidays observed by the credit union. Every day is a business day, except Saturdays, Sundays and federal holidays. We reserve the right to change our "business days" and hours. You may get more updated information, including lobby hours, from our website at: www.unite-cu.org
21. **Regulatory Agency.** If you believe that we may have violated the federal Electronic Funds Transfers Act or any Iowa Electronic Funds Transfer Regulations, you may contact the following regulatory authority:
- State of Iowa
Credit Union Division
East Grand Office Park
200 East Grand Avenue, Suite 370
Des Moines, IA 50309
(515) 281-6514
22. **Amendments/Termination.** We reserve the right to amend this disclosure (agreement) at any time. If we do so, we will give you such advance notice thereof as we deem to be reasonable under the circumstances. However, in the specific cases mentioned earlier, we will give you at least 21 days advance written notice. We also reserve the right to terminate this disclosure (agreement) by sending a notice of such termination by first class mail to your last known address on our records, which notice shall be effective when mailed. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. You may also terminate this agreement at any time by providing written notice to Unite Credit Union, however, termination of this agreement will not relieve you of your continuing obligations incurred during the term of this agreement. If this Agreement is terminated, you must return all items issued by the Credit Union, including but not limited to, ATM Cards, MasterMoney® Cards, PINs and Codes, which remain the property of the Credit Union.
23. The effective date of this disclosure (agreement) is August 1, 2019.
24. **Location of Machines.** The number and location of Automated Teller Machines is, of course, subject to change at any time.
25. **Card Ownership.** All MasterMoney® Card/ATM Debit Cards and PINs remain the property of the Credit Union and may be revoked or cancelled at any time without giving you prior notice. You agree not to use your MasterMoney® Card/ATM Debit Card for a transaction that would cause your account balance to go below zero. You also agree not to make a Unite Credit Union Online Banking system, electronic fund transfer or e-Check(s) affecting your account(s) that would cause your account balance to go below zero. We will not be required to complete any such transaction, but if we do, you agree to pay us the amount of the improper withdrawal, or transfer, upon request, plus our fee(s) for any such transactions that create an overdrawn account or accounts.
26. **Secrecy of PIN.** If we have issued a PIN to you, you agree to keep your PIN secret, and you also agree that you will not write the PIN on your MasterMoney® Card/ATM Debit Card or on any item you keep with your cards. If you do not keep your PIN separate from your MasterMoney® Card/ATM Debit Card your privileges may be revoked at our option. You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit anyone else to use your PIN or access your accounts through an electronic transfer service, or give your card to anyone else, or provide your access code to someone else, you are responsible for any transactions they initiate and authorize for any of your accounts.
27. **Honoring the Card.** Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.
28. **Limitations of ATM Transactions.** There is a maximum \$5,000.00 limit on the dollar amount of deposits and a maximum of combined card purchases/cash withdrawals of 20 withdrawals per day, if you have sufficient funds in your account, you may make at any ATM during its 24-hour operating cycle. To protect against possible losses, your card will not allow you to withdraw more than a combined withdrawal from your share, share draft and electronic withdrawal using a MasterMoney® Card/ATM Debit Card during such a 24-hour cycle, even if two MasterMoney® Card/ATM Debit Cards have been issued for a single account. (For example, when a husband and wife each have a card for their joint account.) If a separate limit is set with regard to Point of Sale entries, we will disclose that limit to you separately. We reserve the right to change these limitations, and we will give you written notice of any such change at least 21 days in advance. You may request us to program our system so that no more than \$50.00 cash can be obtained by use of your MasterMoney® Card/ATM Debit Card during a single day. Please contact us if you want this option.
29. **Responsibility for Overdraft.** If you obtain cash from an ATM which creates a shortage in your account or if you overdraw an account through use of the CU Online Home-Banking access service, e-Check(s), or otherwise, the overdrawn amount is due and payable the moment you receive your money, or make the transfer. You agree to pay the full amount of it to us, together with an overdrawn account charge pursuant to the fees applicable for your share draft account per occurrence. If you have an overdraft line of credit, an advance on your line of credit may be made to cover the overdraft, and you will pay that advance in accordance with the conditions of your line of credit plan, depending upon which form of overdraft protection you have selected. If there are not sufficient funds to make a transfer according to your overdraft line of credit, or if you have no overdraft protection, then such overdraft will be paid to us as provided in the first sentence of this section.
30. **Crediting of Deposits and Payments.** Deposits or payments made in an ATM, whether in cash, check, draft or money order, are subject to verification, and the funds of such deposits and payments to accounts may be held until they can be collected from the machine, verified and entered into our accounting systems. Further delay may occur if the transaction is made on or immediately prior to a Saturday, Sunday or holiday on which we are closed. If you place a check, draft or money order in the machine as a deposit or payment, it is subject to collection in accordance with your account agreement with us and Regulation CC.
31. **Joint Accounts.** If any account accessed under this agreement is a joint account (that is, if two or more people are parties to this account), all of the joint owners are jointly and severally liable to repay the Credit Union the amount of any EFT transaction, including any overdraft and service charges, regardless which of the parties initiated, completed or received the benefit of the transfer. Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from transfers, charges or overdrafts, whether caused by you or another with access to any account affected under this agreement. This liability is due immediately, and can be deducted by the Credit Union directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you individually initiated or authorized the item or transfer or otherwise benefited from the transfer and charge. This includes liability for our costs to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.
32. **Foreign Transaction Currency Conversion.** If you effect a transaction with your MasterMoney® card in a currency other than US Dollars, MasterCard® will convert the funds into US Dollars and charge your account in US Dollars. MASTERCARD® will use its currency conversion procedure, which is disclosed to institutions that issue MASTERCARD® cards. The conversion rate used by MASTERCARD® to determine the transaction amount in US Dollars for such foreign transactions is either a government mandated exchange rate in effect for the applicable central processing date or a rate selected from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate MASTERCARD® itself receives and, may differ from the rate that would have been used on the purchase date or cardholder statement posting date. A foreign transaction is a transaction where the issuer's country (i.e., the card-issuing financial institution's country) is different than the merchant's country. Thus, for example, a transaction over the Internet could qualify as an international transaction. These fees will be charged to your MASTERCARD® account for each foreign transaction. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, Puerto Rico, and the U.S. Virgin Islands or U.S. Military bases. An International Service Assessment fee on all international transactions of up to 1% will be charged by the credit union, regardless of whether there is a currency conversion. If there is a currency conversion, there is a 1% international transaction fee on all international transaction that we pass onto you as the user. An international transaction is a transaction where the county of the merchant is outside of the USA. If there is no currency conversion but the transaction was completed in a foreign country (a "single-currency transaction") the International Service Assessment (ISA) is charged, including cash advances, purchases and credits to your account. If there is a "multi-currency" conversion, the ISA will continue to be 1% of the transaction. An international transaction is a transaction where the issuer's country (i.e., the card-issuing financial institution's country) is different than the merchant's country. Thus, for example, a transaction over the Internet could qualify as an international transaction. These fees will be charged to your MASTERCARD® account for each foreign transaction.

33. **Unlawful Internet Gambling Notice.** Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful internet gambling.
34. **Advisory Against Illegal Use.** You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.
35. **Governing Law.** This Agreement and Disclosure is governed by the Bylaws of Unite Credit Union, federal laws and regulations, state laws and regulations and local clearinghouse rules, as may be amended from time to time. Any disputes regarding this agreement shall be governed by the laws of the United States and the State of Iowa.
36. **Enforcement.** You agree that you will be liable to us for any loss, cost, or other expenses we incur as a result of your failure to comply with the terms and conditions set forth in this Agreement and as we may amend from time to time. You authorize us, without prior notice, to deduct any loss, cost or other expenses, including reasonable attorney's fees that are incurred by us for your failure to comply with the terms of this agreement. You also agree that we may deduct any loss, cost or other expenses, including reasonable attorney's fees that are incurred by us for any action we may take to enforce this Agreement from your accounts with us.
37. **Account Information Disclosure.** We may disclose your account information to third parties to verify and complete the transfers you make as follows: (a) To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant; (b) If your account is eligible for emergency cash and/or emergency card replacement services, and (c) you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s); (d) To comply with government agency or court orders; or (e) If you otherwise provide us with your written permission.
38. **Right to Bring Civil Action.** You have a right to bring a civil action against any person violating any provision of the laws governing consumer privacy and unauthorized withdrawals. If you prevail in such an action, you may be entitled to recover punitive damages, court costs and reasonable attorney fees.
39. **Consumer Liability:**
- Consumer Liability.** Tell us AT ONCE if you believe your MasterMoney® Card/ATM Debit Card has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or your Unite Credit Union Online Banking system has been accessed without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your MasterMoney® Card/ATM Debit Card, or your PIN(s), and/or your Unite Credit Union Online Banking system has been accessed without your permission, and you can lose no more than \$50 if someone used your card or otherwise accessed your account through one of the methods set forth above in this paragraph without your permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your card(s), or otherwise accessed your account(s) without your permission, and we can prove we could have stopped someone from using your card(s) and/or PIN, access code, or otherwise, without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
 - Special Liability Protection Rules for MasterCard® Debit Card.** You will not be liable for any unauthorized transactions using your MasterCard® Debit Card, if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) and, upon becoming aware of such a loss or theft, you PROMPTLY report the loss or theft to us at (319) 273-2479 or write to: Unite Credit Union, 802 W. 29th St. Cedar Falls, IA 50613 IMMEDIATELY !!! This zero liability rule will apply to all transactions conducted with a MasterCard branded card, including PIN-based transactions at Point of Sale and ATM, as long as the cardholder has exercised reasonable care in safeguarding the card from risk of loss or theft, and, upon becoming aware of any such loss or theft, PROMPTLY reports that loss or theft to this Credit Union.

 - Authorization.** If you furnish another person with your MasterMoney® Card/ATM Debit Card access code to your Unite Credit Union Online Banking or your check book, you will be responsible for all "electronic fund transfers" initiated by the person. Your responsibility pertains to transfers from which you may receive no benefit, and applies even though that person may not have actual authority to initiate a transfer or transfers any amount in excess of that which is authorized. Your responsibility for such transfers remains until you have notified us in writing that the person is no longer authorized to initiate transfers.

WIRE TRANSFER NOTIFICATION**(Uniform Commercial Code Article 4A)**

The following rules shall apply to all wire transfer services provided by the Credit Union.

Unite Credit Union may accept, on your behalf, payments to your account that have been submitted by Fedwire. Your rights and obligations with respect to such transfers shall be governed and construed in accordance with Regulation J, Subpart B-Funds Transfers Through Fedwire. These regulations and state law are applicable to funds transfers involving your account.

If you give us a payment order that identifies a beneficiary (the person to whom you are wiring funds) by name and account or some other identifying number (such as a Social Security, Taxpayer I.D. or driver's license number), we may pay the beneficiary on the basis of the number provided to us by you and consider that number to be proper identification. This will be true even if the number you provided to us identifies a person different from the named beneficiary, unless otherwise provided by law or regulation.

If you give us a payment order that identifies the beneficiary's financial institution in the funds transfer by name and Routing and Transit ("RT") or other identifying number, we, as well as the receiving financial institution, may rely on the number provided to us by you as the proper identification. This will be true even if the number provided identifies a financial institution that is different from the named financial institution, unless otherwise provided by law or regulation. Therefore, it is in your best interest to contact the receiving institution to acquire the appropriate wire transfer instructions so that you may feel confident that your money will arrive safely. You, the member, are ultimately responsible for providing accurate information regarding funds transfers and are consequently liable for any losses or expenses should an error occur.

You may not be provided with separate notification each time we receive a wire transfer into your account. We will provide you with notification of an incoming wire transfer as part of your periodic statement. In the event we accept payments to your account through one or more Automated Clearing Houses ("ACH"), the operating rules of the National Automated Clearing House Association ("NACHA") will be applicable to ACH transactions involving your account. These rules do not require that we provide you with next day notice of receipt of an ACH item. Therefore, we will provide you with notification of the receipt of these items as part of your periodic statement.

In addition, if we are ever obligated to pay interest on the amount of the transfer, you will be paid interest on a daily basis equal to the current dividend rate that is otherwise applicable to the account from which the funds transfer should have occurred. In the event we are ever liable to you for damages due to a transfer, your damages will be limited to actual damages only. We will not be responsible for incidental or consequential damages, court costs or attorney's fees, unless otherwise provided by law or regulation.

We may accept, on your behalf, payments to your account which have been transmitted through one or more Automated Clearing Houses and that are not subject to the Electronic Funds Transfer Act ("Regulation E"). Your rights and obligations with respect to such payments shall be governed and construed in accordance with the applicable Federal Reserve Bank Operating Circular. Whenever an ACH is used as part of a transaction, its rules will govern that part of the transaction. Where none of the above stated rules apply, the transactions contemplated by this agreement shall be governed by the laws of the State of Iowa, including Article 4A of the Iowa Uniform Commercial Code.

Credit given by us to you with respect to an ACH entry is provisional until we receive final settlement for the credit entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified that we are entitled to a refund of the amount credited to you in connection with the credit entry. Moreover, you are hereby notified that the party making payment to you (originator) shall not be deemed to have paid you the amount of the credit entry.

**REMOTE DEPOSIT CAPTURE
USER AGREEMENT ("AGREEMENT")**

This agreement contains the terms and conditions for the use of Unite Credit Union's Mobile Deposit and/or other remote deposit capture services that Unite Credit Union's or its affiliates ("Credit Union", "us", "we", "our" or "affiliates") may provide to you ("you", "your", "user", or "Customer"). Other agreements you have entered into with Unite Credit Union, including without limitation our Membership Agreement and Disclosures governing your Unite Credit Union account, continue to apply. In the event of a conflict between this Agreement and any other agreement you have entered into with Unite Credit Union, this Agreement shall govern.

1. **Services.** The remote deposit capture services ("Services") are designed to allow you to make deposits to your checking, money market checking or savings accounts from your camera-enabled mobile device capable of capturing check images and information and delivering the items and associated deposit information to Unite Credit Union or our designated processor. The device must capture an image of the front and back of each check to be deposited in accordance with the Procedures; must read and capture the magnetic ink character recognition ("MICR") line on each check; and must read and capture all such other data and information as is required by this Agreement or Federal Reserve regulations for the processing of these checks for payment. There is currently no charge for the Services.
2. **Acceptance of these Terms.** Your use of the Services constitutes your acceptance of this Agreement. This Agreement is subject to change from time to time. We will notify you of any material change via email or on our website(s) by providing a link to the revised Agreement and such change shall be effective thirty (30) days following our provision of such notice. Your continued use of the Services will indicate your acceptance of the revised Agreement. Further, Unite Credit Union reserves the right, in its sole discretion, to change, modify, add or remove portions from the Services. Your continued use of the Services will indicate your acceptance of any such changes to the Services. In the event that an immediate change is needed to ensure the security of the Services, we will post a notice of any such change on our website. You may choose to accept or decline such changes by continuing or discontinuing the Services.
3. **Limitations of Services.** When using the Services, you may experience technical or other difficulties. We shall not be responsible for any technical or other difficulties or any resulting damages that you may incur. Some of the Services have qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Services, in whole or in part, or your use of the Services, in whole or in part, immediately and at any time without prior notice to you.
4. **Eligible Items.** You agree to scan and deposit only checks as that term is defined in Federal Reserve Regulation CC ("Reg CC"). You agree that the image of the check transmitted to Unite Credit Union (each such check a "Check" and, if more than one, "Checks") shall be deemed an "Item" within the meaning of Article 4 of the Uniform Commercial Code as adopted in Iowa (such scanned Check image transmitted to Unite Credit Union for credit to your account, a "Remote Item"). You agree that you will not use the Services to scan and deposit checks or items that: (a) are payable to any person or entity other than you; (b) are drawn or otherwise issued by you or any other person on any of your accounts or any account on which you are an authorized signer or joint account holder; (c) contain obvious alteration to any of the fields on the front of the check or item, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn; (d) were previously converted to a substitute check as defined in Reg CC without Unite Credit Union's prior written consent; (e) were previously converted to an image replacement document as defined in Reg CC without Unite Credit Union's prior written consent; (f) are drawn on a financial institution located outside the United States; (g) are remotely created checks, as defined in Reg CC; (h) are not payable in United States currency; (i) are dated more than six (6) months prior to the date of deposit; (j) are prohibited by Unite Credit Union's current procedures relating to the Services (the "Procedures"); (k) are in violation of any state or federal rules or regulations. (Checks described in clauses (a) through (l) each a "Prohibited Check" and, collectively, "Prohibited Checks").
5. **Image Quality.** The image of an item transmitted to Unite Credit Union using the Services must be legible and contain images of the front and back of the check. The image quality of the items must comply with the requirements established from time to time by the American National Standards Institute ("ANSI"), the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the Check image: the amount of the check (both written and numeric); the payee; the signature of the drawer (maker); the date; the Check number; the information identifying the drawer and the paying financial institution that is preprinted on the check including the MICR line; and all other information placed on the Check prior to the time of an image of the Check is captured (such as any required identification written on the front of the Check and any endorsements applied to the back of the check).
6. **Endorsements and Procedures.** You agree to restrictively endorse any item transmitted through the Services as "For remote deposit only, Unite Credit Union account # _____" or as otherwise instructed by Unite Credit Union. You agree to follow any and all other procedures and instructions for use of the Services as Unite Credit Union may establish from time to time.
7. **Receipt of Items.** We reserve the right to reject any item transmitted through the Services, at our discretion, without liability to you. We are not responsible for items we do not receive or for images that are dropped during transmission. An image of an item shall be deemed received when you receive a confirmation from Unite Credit Union that we have received the image. Receipt of such confirmation does not mean the transmission was error free or complete. Following receipt of such confirmation, Unite Credit Union will process the image by preparing a "substitute check" or clearing the item as an image.
8. **Availability of Funds.** You agree that items transmitted through the Services are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. Funds deposited using the Services will be available after Unite Credit Union receives final payment for the funds submitted. Unite Credit Union may, but is not required to, make such funds available sooner based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and other such factors as Unite Credit Union, in its sole discretion, deems relevant.
9. **Disposal of Transmitted Items.** Upon your receipt of a confirmation from Unite Credit Union that we have received the image of an item, you agree to prominently mark the item as "Electronically Presented" or "VOID" and to properly dispose of the item to ensure that it is not represented for payment. You also agree never to represent the item. You will promptly provide any retained item, or a sufficient copy of the front and back of the item, to Unite Credit Union as requested to aid in the clearing and collection process, to resolve claims by third parties with respect to any item, or for Unite Credit Union's audit purposes.
10. **Deposit Limits.** We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Services and to modify such limits from time to time. Unless otherwise specified by Unite Credit Union, changes to such limits shall be effective immediately upon notice to you via email or the Unite Credit Union website.
11. **Hardware and Software.** In order to use the Services, you must obtain and maintain, at your expense, compatible hardware and software as

specified by Unite Credit Union from time to time. See www.cfccu.org for current hardware and software specifications. Unite Credit Union is not responsible for any third party software you may need to use the Services. Any such software is accepted by you as is and is subject to the terms and conditions of the software agreement you enter into directly with the third party software provider at time of download and installation.

12. **Contingency Plan.** In the event you are unable to capture, balance, process, produce or transmit a file to Unite Credit Union, or otherwise comply with the terms or the Procedures for any reason, including but not limited to, communications, equipment or software outages, interruptions or failures, you will transport or mail the originals of all checks to the closest Unite Credit Union location. The deposit of original checks at an office of Unite Credit Union shall be governed by the terms and conditions of the Deposit Account Agreement and not by the terms of this Agreement.
13. **Errors.** You agree to notify Unite Credit Union of any suspected errors regarding items deposited through the Services right away, and in no event later than sixty (60) days after the applicable Unite Credit Union account statement is sent. Unless you notify Unite Credit Union within sixty (60) days, such statement regarding all deposits made through the Services shall be deemed correct, and you are prohibited from bringing a claim against Unite Credit Union for such alleged error.
14. **Presentment.** The manner in which the items are cleared, presented for payment and collected shall be in Unite Credit Union's sole discretion subject to our Membership Agreement and other Disclosures governing your account.
15. **Ownership and License.** You agree that Unite Credit Union retains all ownership and proprietary rights in the Services, associated content, technology and website(s). Your use of the Services is subject to and conditioned upon your complete compliance with this Agreement. Without limiting the effect of the foregoing, any breach of this Agreement immediately terminates your right to use the Services. Without limiting the restriction of the foregoing, you may not use the Services (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to Unite Credit Union's business interest, or (iii) to Unite Credit Union's actual or potential economic disadvantage in any aspect. You may use the Services only for non-business, personal use in accordance with this Agreement. You may not copy, reproduce, distribute or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Services.

18. **User Warranties and Indemnification.** With respect to each and every Check you use to create an image using the Services and every Remote Item you transmit to Unite Credit Union, you represent and warrant to Unite Credit Union that: (a) you assume responsibility for any Check that is transmitted which for any reason is not paid; (b) you are a person entitled to enforce the Check; (c) neither the check nor the Remote Item is counterfeit; (d) neither the check nor the Remote Item has been altered; (e) neither the Check nor any image of the Check has been paid; (f) no depository credit union, bank, drawee, drawer, or endorser will receive presentment or return of, or otherwise be charged for, an item transmitted as a payment based on an item that it has already paid; (g) the Customer shall properly endorse each Check and deposit said Check to an account at Unite Credit Union that matches the name of the Customer; (h) the Customer shall deposit only checks made payable to the Customer; (i) neither the check nor the Image is subject to a defense or claim in recoupment that can be asserted against the Customer; (j) the Customer has no knowledge of any insolvency proceeding commenced with respect to the Customer or in the case of an unaccepted check, the drawer; (k) all information provided by the Customer to the Credit Union is accurate and true; (l) files submitted by the Customer to the Credit Union do not contain computer viruses or malware; (m) the Remote Item is a digitized image of the front and back of the Check and accurately represents all of the information on the front and back of the Check as of the time Customer converted the Check to a Remote Item; (n) the Remote Item contains all endorsements applied by parties that previously handled the Check in any form for forward collection or return; (o) each of the Checks were duly authorized in the amount stated on the corresponding Remote Item and to the payee stated on such Remote Item; (p) the Credit Union will not suffer any loss as a result of Customer's retention or destruction of the paper originals of Remote Items; and (q) the Customer has performed and will perform all of its obligations under this Agreement.
